THE PROCESS

A step-by-step breakdown of our process for custom-made headwear:

Step 1 - Brainstorming

Generating ideas for mock-ups

Step 2 - CAD Development

Detailed mock-ups for review/revision

Step 3 - Sampling + Quotation

Physical samples review/revision and finalized price(s)

Step 4 - Production + Delivery

Bulk production and delivery if applicable

Step 5 (Optional) - Content Production

Production of digital assets for ads, web, and social
